

- If you received a distribution from an IRA or qualified plan, you may roll the money back into an IRA or qualified plan within **60 days** of receiving the assets. This is considered an indirect rollover. You are only allowed one indirect rollover from an IRA to another (or same) IRA in a 12-month period, regardless of the number of IRAs owned.
- Use this form for indirect rollovers only. You must include a personal check for the rollover amount made payable to Capital Bank and Trust Company.<sup>SM</sup>
- If you wish to move assets currently held at another financial institution to American Funds, use the *Request for Transfer of Assets or Direct Rollover* form.

- Payments over life expectancy or a period of 10 years or more are not eligible for rollover.
- A SIMPLE IRA can only receive assets from another account after two years have passed since the date of the first SIMPLE IRA contribution.

### C. Qualified plan loan offset — if applicable

This section may apply if you participated in a qualified plan and didn't fully repay an outstanding loan balance prior to severance of employment or plan termination. A qualified plan loan offset is the amount the account balance is reduced, or offset, to repay the loan. You have until your tax-filing deadline (plus extensions) for the year of the loan offset to indirectly roll over the offset amount to another qualified plan or IRA.

### 4 Rollover certification and signature — required

Direct any questions regarding rollover eligibility to your financial professional or tax advisor.

I hereby certify that the information provided within this form is accurate. I certify that the requested rollover contribution is an eligible rollover distribution and does not contain any amounts from a Required Minimum Distribution (RMD). I understand that only certain types of distributions are eligible for rollover treatment and that it is solely my responsibility to ensure such eligibility.

I certify that the distribution is being rolled over within 60 days of receipt or as otherwise permitted under applicable law. If after the permitted time frame, I have completed the appropriate self-certification (pursuant to IRS Revenue Procedure 2016-47) and have included a copy with this form. I understand that I may only request one indirect rollover from an IRA to another or the same IRA within a 12-month period.
