Dear Ms. Chang,

Although the above-referenced brochure appears consistent with applicable standards, we offer the following comments:

We have reviewed this brochure with the understanding that it will be accompanied or preceded by a prospectus. Please advise us if our understanding is not accurate.

We have also reviewed this brochure with the understanding that it is intended for use with institutional investors only and that the individuals the brochure is intended for will understand the reference to "yield to maturity." If our understanding is not accurate, the brochure should be revised to include a definition of the reference.
